(ii) Board's letter of even No. dated 18.02.2026.
(iii)CPDE/WCR's letter No. W-HQ/P&D/Banning of business dated 04.08.2026 & 25.08.2026.

The contractor **M/s Ecologies India Private Limited-Gurugram, Second floor, F-059C, Sector 57, Sushant Lok-II, Block F, Gurugram, Harayana-122001** were served with a Memorandum and Statement of charges for banning of business dealings with them for indulging in malpractices by submitting false/forged credentials and violated the provisions of General Conditions of Contracts.

Zonal Railway was advised to offer their considered views and specific comments/recommendations on firm's representation. Charges framed against the contractor are attached at Annexure.

2.2 In response to the above, WCR vide their letter dated 04.08.2026, has made the following submissions:-

I. Firm's statement for responsible to newly recruited employee for submitting false documents, is completely their internal matter and have no relevance to the department. The firm is solely responsible for the authenticity and correctness of documents submitted with the bid.
II. The action taken by the firm after detection of the issue is an internal administrative matter.
III. The open tender for the work "Left over work for provision of water recycling plant of capacity 600 KLD with pipeline storage arrangement at Katni Murwara Station (sanctioned name of work on IRPSM: 'Essential work for functioning of STP at Katni Murwara station of capacity 600 KLD with pipeline and storage arrangement etc. under ADEN (Maintenance), Katni sub-division)" was invited vide e-tender notice No. DRMW-JBP-10-2025 with closing date 19.08.2025. The tender was opened on 19.08.2025 and alone offer was received from M/s Ecologies India Pvt. Ltd., Gurugram. In support of Technical Eligibility Criteria, the firm submitted a work completion certificate purportedly issued by Staff Officer (Civil), Talcher Area, Mahanadi Coalfields Limited. To verify the authenticity of the certificate, Zonal Railway issued a confidential letter dated 09.09.2025 (Speed Post No. E1774704880IN). As no reply was received, a reminder was issued on 10.10.2025 through official e-mail. In response, the competent authority of MCL clarified that while the work order was issued by their office, the work completion certificate was not issued by them. It is pertinent to mention that the Tender Committee evaluates bids based on the documents submitted by bidders. The clarification received from the issuing authority indicates that the completion certificate submitted by the firm could not be validated from their end.
IV. There has been a loss to the Railways in terms of time and manpower, as the tender had to be re-invited, resulting in delay in finalization.

7.9.2026

V. The measures indicated by the firm have been noted which relate to internal systems of the firm.

VI. The firm has stated that there was no malafide intent or wrongful gain. However, submission of documents which could not be validated by the issuing authority remains a matter of concern in the tender evaluation process.

3. Reply to the Memorandum submitted by the contractor through West Central Railway has been considered in detail by the Competent Authority, who has concluded that the justification offered by the agency is not tenable due to the reason that the contractor has mislead the Railway by submitting the fake/forged documents with malafide intention.

3.1 Keeping in view of the evidences and facts on records & remarks, it is clearly established that the contractor **M/s Ecologies India Private Limited-Gurugram, Second floor, F-059C, Sector 57, Sushant Lok-II, Block F, Gurugram, Harayana-122001** has deviated from tendering condition with malafide intention.
