### Press Release

## RITES signs MoU with CSIR-CRRI

**Gurugram, January 18, 2022:** RITES Limited, a leading Transport Infrastructure Consultancy and Engineering company, has entered into a Memorandum of Understanding (MoU) with CSIR-Central Road Research Institute (CRRI) to explore opportunities for cooperation in the infrastructure sector.

*Senior officials of RITES and CSIR-CRRI at MoU-signing ceremony in New Delhi*

Under this agreement, RITES and CSIR-CRRI will collaborate for technical services, including consultancy assignments, knowledge sharing, and research & development etc. The partnership foresees the development of innovative and sustainable solutions that will drive the sector forward and can deliver significant value to associated stakeholders.

### **About RITES Limited:**

RITES Limited is a Miniratna (Category - I) Schedule 'A' Public Sector Enterprise and a leading player in the transport consultancy and engineering sector in India, having diversified services and geographical reach. The company has experience spanning 47 years and has undertaken projects in over 55 countries across Asia, Africa, South America, and Middle East region. RITES Limited is the only export arm of Indian Railways for providing rolling stock overseas (other than Thailand, Malaysia and Indonesia).

### **About CSIR-CRRI:**

CSIR-Central Road Research Institute (CRRI), a premier national laboratory established in 1952, is engaged in carrying out research and development projects on design, construction and maintenance of roads and runways, traffic and transportation planning, utilization of industrial waste, landslide control, road traffic safety, pavement performance monitoring/evaluation, service life assessment of bridges. The institute provides technical and consultancy services to various user organizations in India and abroad.
