Office Order No. WL/ 07 /2023

Sub: Group Insurance Medi-Claim Facility for RITES Retired Employees-2023
Ref: Circular No. PERS/40/Medi-Claim/2022 dated 27.04.2022 and Office Order No WL/02/ 2023 dt 10.01.2023

As a welfare measure; RITES Management had decided that retiring employees who could not get covered under the RITES Post-Retirement Medical Scheme owing to shortfall in number of years of service with RITES from the required period of 15 years; may become a member of the Group Medical Insurance scheme by making payment of the requisite premium amount.

Our present Insurer "The New India Assurance Company Ltd." has advised that such employees can be covered up to the age of 70 years with premium loading of 10% & Co pay of 20% for first year. Co-pay means that employee will bear 20% of Indoor Treatment Cost during the Calendar Year. However, premium loading and Co pay is not applicable when there is no break in continuation of policy (i.e. continuous coverage while in service as well as after retirement).

Accordingly, following are the premium amounts payable by different category of employees for the Calendar Year 2023:

Class of Entitlement	Category of employee	Annual Medical Ceiling per family unit	Annual Premium inclusive of GST (Rs.) (if no break in coverage)	Annual Premium including loading of 10% & GST (Rs.) (if there is break in coverage)
A	CMD/MD/Directors	Rs. 10,00,000/-	1,05,020	1,15,522
B	Executive Cluster IV	Rs. 5,00,000/-	54,280	59,708
C	Executive Cluster I,II and III	Rs. 3,75,000/-	41,300	45,430
D	Non-Executive (All Clusters)	Rs. 2,50,000/-	24,624	27,087

Interested retiring/ retired employees are advised to deposit required amount of premium/proportionate premium.
