Advocate for the Petitioner : MR G N SAHEWALLA

Advocate for the Respondent : DY.S.G.I.

BEFORE
HONOURABLE MR. JUSTICE MICHAEL ZOTHANKHUMA

ORDER

18.10.2023

1. Heard Mr. G.N. Sahewalla, learned Senior Counsel for the petitioner, who submits that in terms of the order dated 11.05.2023 passed by this Court in WP(C) No.2168/2023, the blacklisting/debarring of the petitioner from participating in any future tender, pursuant to the impugned letters dated 29.10.2021 and 29.11.2021 had been set aside. However, the same was subject to any final decision to be taken by the Railway Board, in pursuance to the letter dated 17.03.2023 issued by the respondent no.3 and letter dated 13.04.2023 issued by the Railway Board.

2. The learned Senior Counsel submits that as per the letter dated 17.03.2023, which was in response to a clarification sought by the NF Railway, M/s Avijantrik Infratech Private Limited had admitted that the documents used in the tender, on the basis of which the petitioner had been blacklisted from

participating in any future tender, were not connected with the petitioner. The letter dated 13.04.2023 had been issued by the Railway Board, which was addressed to the Chief Administrative Officer (CONS.) North East Frontier Railway, asking him to clarify under what circumstances the NF Railway had taken a decision to re-consider revoking the blacklisting/banning of business against the petitioner. The petitioner's counsel submits that the said letter had been made in pursuance to the letter dated 17.03.2023 issued by the respondent no.3.

3. Subsequent to the two letters mentioned above and the order dated 11.05.2023 passed in WP(C) No.2168/2023, the respondent no.3 has written a letter dated 25.08.2023 (Annexure-XX), which is addressed to the respondent no.7, stating that as per the order passed by this Court on 11.05.2023 in WP(C) No.2168/2023, a recommendation has been made to revoke the banning of business dealings with the petitioner.

4. The learned counsel for the petitioner submits that despite the order dated 11.05.2023 passed by this Court and till a final decision is taken by the Railway Board with regard to whether the petitioner should be blacklisted/debarred from participating in any future tender, the name of the petitioner should be deleted from the Railways Portal and also from the RITES Portal under the heading Banned/Suspended/Negative Vendors.

5. Mr. K. Gogoi, learned CGC appearing on behalf of all the respondents fairly submits that till a decision is taken by the Railway Board in compliance with the order dated 11.05.2023 in WP(C) No.2168/2023, the petitioner's name would

have to be deleted from the Railways Portal and RITES Portal under the heading of Banned/Suspended/Negative Vendors.

6. Mr. K. Gogoi also submits that subsequent to the letter dated 25.08.2023 issued by the respondent no.3, the respondent no.3 had again issued another letter dated 21.09.2023 to the respondent no.7, in the same line as the earlier letter dated 25.08.2023. He submits that the present writ petition can be disposed off, if a direction is issued to the respondent no.7, to take a final decision with regard to whether the petitioner should be banned/blacklisted or suspended from doing any business with the Railway Authorities.

7. I have heard the learned counsels for the parties.

8. The operative portion of the order dated 11.05.2023 passed in WP(C) No.2168/2023 at paragraph-11 and 12 is re-produced here-in-below :

> *"11. The learned CGC's prayer that the question of revocation of blacklisting/debarment of the petitioner from participating in any future tender should be left in the hands of the Railway Board is justified. However, they have to take a decision at the earliest and keeping the issue pending is unfair and unreasonable. In view of the judgment of the Apex Court in UMC technologies Private Limited (supra) and the admission by the respondent no.11 in the judgment and order dated 11.04.2023 passed in WP(C) No.7057/2021 to the effect that the respondent no.11 had used forged documents for taking part in the tender process, this Court is of the view that the impugned letters are arbitrary and not sustainable.*
>
> *12. In view of the reasons stated above, the impugned letters dated 29.10.2021 and 29.11.2021 issued by the respondent no.6, so far as the*

petitioner herein is blacklisted/debarred from participating in any future tender,2023:GAU-AS:6916 is hereby set aside. The above is however, subject to any final decision to be taken by the Railway Board in pursuance to the letter dated 17.03.2023 issued by the respondent no.3 and the letter dated 13.04.2023 issued by the Railway Board. While coming to a finding on the issue, the Railway Board may make it's own finding, based on any new facts which has not been considered in this order."

9. A perusal of the extract of the order shows that the blacklisting/debarring the petitioner from doing any business dealings with the respondents, vide letters dated 29.10.2021 and 29.11.2021 have been set aside. As such, it was incumbent on the part of the respondents to have deleted the name of the petitioner from the Railways Portal and RITES Portal under the heading of Banned/Suspended/Negative Vendors, till a final decision was taken by the Railway Board, in pursuance to the letters dated 17.03.2023 and 13.04.2023, which has been mentioned in the preceding paragraphs. Further, as can be seen from the letters dated 25.08.2023 and 21.09.2023 issued by the respondent no.3, the respondent no.7 was to take a final decision.

10. In view of the order dated 11.05.2023 passed in WP(C) No.2168/2023, the respondents are directed to immediately delete the name of the petitioner from the Railways Portal and RITES Portal under the heading of Banned/Suspended/Negative Vendors. The respondent no.7 shall also take a final decision with regard to the issue whether the petitioner is to be blacklisted/debarred from future dealings, by considering the letters dated 17.03.2023, 13.04.2023, 25.08.2023, 21.09.2023 issued by the respondents and any other new materials it may have, inasmuch as, this Court has not given any

view in the order dated 11.05.2023 passed in WP(C) No.2168/2023, with regard to whether the petitioner should or should not be blacklisted/debarred by the Railway Board.

11. The writ petition is accordingly disposed off.

12. The letter dated 21.09.2023 issued by the respondent no.3, which has been submitted by the learned CGC is made a part of the record and marked as Annexure-X.

HONOURABLE MR. JUSTICE MICHAEL ZOTHANKHUMA

ORDER

11.05.2023

1. Heard Mr. G.N Sahewalla, learned senior counsel assisted by Mr. M Sahewalla, learned counsel for the petitioner. Also heard Mr. H. Gupta, learned CGC for the respondent no.1 – 10.

2. The petitioner has challenged the impugned letters dated 29.10.2021 and 29.11.2021 issued by the respondent no.6, by which the petitioner was blacklisted for a period of 5 years w.e.f. 29.10.2021. The blacklisting of the petitioner company i.e. Sumcon Infraventures LLP has been done on the ground that the petitioner along with M/s Avijantrik Infratech Private Limited (respondent no.1) had participated in the tender process as a Joint Venture and had submitted forged documents.

3. The petitioner's counsel submits that the petitioner was never a constituent of the Joint Venture with the respondent no.11, i.e. M/s Avijantrik Infratech Private Limited. The petitioner's counsel also relies upon paragraph-14 of the judgment and order dated 11.04.2023 passed in WP(C) No.7057/2021, in support of his submission that the petitioner did not enter into any Joint Venture

with the respondent no.11. He submits that the said paragraph-14 in WP(C) No.7057/2021 would clearly show that the respondent no.11 had admitted to participating in the tender process by forging documents. He has also relied upon the letter dated 17.03.2023 issued by the respondent no.3 to the respondent no.7 to re-consider/revoke the order of blacklisting/banning of business dealings with the petitioner, in view of the respondent no.11 having admitted vide letters issued by them, that the documents used in the tender pursuant to tender notice dated 30.07.2018 were not connected with the petitioner and that the respondent no.11 had not conducted any business with the petitioner.

4. Besides the above facts, the learned Senior Counsel for the petitioner has relied upon the judgment of the Apex Court in the case of ***UMC technologies Private Limited vs. Food Corporation of India & Another***, reported in ***(2021) 2 SCC 551***, wherein it has been held that prior show-cause-notice granting a reasonable opportunity of hearing is an essential element of all administrative decision making and particularly so in decisions pertaining to blacklisting, which entail grave consequences for the entity being blacklisted. Though the State respondents had apparently issued notices to the alleged Joint Venture comprising of the M/s Sumcon-Avijantrik (JV) and the respondent nos.11 in the address of respondent no.11, the said notices were never sent to the petitioner's address. The learned Senior Counsel submits that as no prior show-cause-notice was issued to the petitioner prior to the impugned letters being issued by the respondents, the impugned letters should be set aside.

5. Mr. H. Gupta, learned CGC submits that the question as to whether the

blacklisting of the petitioner should be revoked, is under consideration with the Railway Board and in this regard, the Railway Board has issued a letter dated 13.04.2023 to the Chief Administrative Officer (Cons.) Northeast Frontier Railway, asking him to clarify under what circumstances the NF Railway had taken a decision to reconsider revoking the blacklisting/banning of business against the petitioner. He submits that the above letter dated 13.04.2023 issued by the Railway Board, had been made in pursuance to the letter dated 17.03.2023 issued by the respondent no.3. The learned CGC submits that as no reply has been forthcoming from the NF Railway to the Railway Board in pursuant to the letter dated 13.04.2023, the Railway Board is unable to take a decision with regard to whether the blacklisting of the petitioner company should be revoked. The learned CGC also submits that the Guidelines dated 09.11.2022 are to be applied by the Railway Board, for considering cases arising out of blacklisting. He submits that in terms of Guideline nos.15 & 16, the revocation of the blacklisting would have to be done with the approval of the Railway Board. He accordingly submits that some more time should be given to the Railway Board to take a decision with regard to the grievance of the petitioner.

6. I have heard the learned counsels for the parties.

7. A perusal of the documents on record would show that no prior show-cause-notice had been sent to the petitioner or to it's address, prior to the blacklisting of the petitioner. As such, on this ground alone, the impugned letters dated 29.10.2021 and 29.11.2021 issued by the respondent no.6 are liable to be set aside. The above being said, in the writ petition filed by the

respondent no.11 in this Court i.e. WP(C) No.7057/2021, wherein the impugned letters have also been put to challenge, it is seen that the respondent no.11 has in paragraph-14 admitted to forging documents of another company, which in this case is the petitioner, to enable the respondent no.11 to participate in the tender process. The above admission made by the respondent no.11 in the judgment and order dated 11.04.2023 passed in WP(C) No.7057/2021 thus indicates that the respondent no.11 had unitarily forged documents and participated in the tender process as a Joint Venture, without the consent and knowledge of the petitioner.

8. A perusal of the letter dated 17.03.2023 issued by the respondent no.3 also states that in response to a clarification sought by the NF Railway, the respondent no.11 had admitted that the documents used in the tender were not connected with the petitioner and they had not conducted any business with the petitioner. The said letter also states that as per admission made by the respondent no.11 and the Law Officer's opinion, it was evident that the petitioner was not a Joint Venture partner and had not participated in the tender process as a Joint Venture.

The above also indicates that the petitioner not being a Joint Venture partner with the respondent no.11, the ground for issuing the impugned letters, by which the petitioner has been blacklisted does not appear to have any basis.

9. The Guideline no.15 & 16 issued by the Railway Board on 09.11.2022, with regard to the debarment/blacklisting, states as follows :

> "*15. Any representation from the debarred firm shall be dealt with by the concerned directorate in Board. The revocation of debarment order before*

expiry of debarment period, if there is adequate justification for the same, shall be done with the approval of concerned Board member.

16. Court cases arising out of debarment orders issued shall be processed/dealt with by the concerned procuring unit."

10. A perusal of the above guidelines shows that that any representation from the blacklisted/debarred firm shall be dealt with by the concerned Directorate of the Board before expiry of the debarment period. The revocation of the blacklisting, if there is adequate justification for the same, shall be done with the approval of the concerned Board and that Court cases arising out of the debarment orders issued shall be processed/dealt with by the concerned procuring unit.

11. The learned CGC's prayer that the question of revocation of blacklisting/debarment of the petitioner from participating in any future tender should be left in the hands of the Railway Board is justified. However, they have to take a decision at the earliest and keeping the issue pending is unfair and unreasonable. In view of the judgment of the Apex Court in ***UMC technologies Private Limited (supra)*** and the admission by the respondent no.11 in the judgment and order dated 11.04.2023 passed in WP(C) No.7057/2021 to the effect that the respondent no.11 had used forged documents for taking part in the tender process, this Court is of the view that the impugned letters are arbitrary and not sustainable.

12. In view of the reasons stated above, the impugned letters dated 29.10.2021 and 29.11.2021 issued by the respondent no.6, so far as the petitioner herein is blacklisted/debarred from participating in any future tender,

is hereby set aside. The above is however, subject to any final decision to be taken by the Railway Board in pursuance to the letter dated 17.03.2023 issued by the respondent no.3 and the letter dated 13.04.2023 issued by the Railway Board. While coming to a finding on the issue, the Railway Board may make it's own finding, based on any new facts which has not been considered in this order.

13. The writ petition is accordingly disposed off.
